Time Has Come

Agnostic Front

In these times when our faith gets put to the test
We find the strength to carry on
Growing frustration, adversity and hatred
We remain relentless, there will be vindicationThey've kept us down, we stand our ground
Throughout all trials and tribulations - TIME HAS COME
To draw the line, take back what's mine
To show the world this revolution HAS BEGUNWe walk the line and find there's always blame and doubt
We've been discarded, disregarded, counted out
But you can count on our persistence to prevail
With trust in ourselves we will never fail
They've kept us down, we stand our ground
Throughout all trials and tribulations - TIME HAS COME
To draw the line, take back what's mine
To show the world this revolution HAS BEGUNYou can't hold us back
Even though you've tried
Now that you're face to face
With truth there's no place to hideDestroy the opposition
Bring them to their knees
Forceful domination
Time has come
They've kept us down, we stand our ground
Throughout all trials and tribulations - TIME HAS COME
To draw the line, take back what's mine
To show the world this revolution HAS BEGUNTIME HAS COME
This revolution HAS BEGUN
