

I Got A Bottle

Trina

This that new Trina baby
Get up sucker
I got a bottle
(Got a bottle)
I got a cup
(Got a cup)
I got ice
(Got ice)
So what's up?
(What's up?)
Walk in the club wearing superstar clothes
Feelin' like money 'cause I collect dough
Moe, miney, meenie, innu
Who's got Patron and Henney?
I been sippin' on Cavalli that shit's so strong
Like Paris Hilton, gotta carry me home
So full, so far gone
Forgot where I parked and lost my iPhone
Still lookin' good and pretty
Bad bitch in every city
Rocks, diamonds, I got plenty
Ice for the cup, now pour the Henney
Escorted in the club, I brought the whole team
Ain't no guest, it's a rock star theme
Everybody lookin' of course it's the queen
They admirin' the crown and the 10 carat ring
I'm known for pimpin' these rappers
I should get an Oscar award for my acting
When they actually think that I'm feelin' 'em
That's when I take they money, then I'm killin' 'em
I got a bottle
(Got a bottle)
I got a cup
(Got a cup)
I got ice
(Got ice)
So what's up?
(What's up?)
Walk in the club wearing superstar clothes

Feelin? like money 'cause I collect dough
Moe, miney, meenie, inny
Who's got Patron and Henny?
Watch me get ghost in the Phantom
Somethin? like a pimp like David Banner
M I crooked letter, crooked letter I, crooked letter
Crooked letter I, humpback, humpback
I am so off the chain
Spyin' bottles ain't a thing
Plus I'm gonna make it rain
So much money they think she?s insane
You a 7 digit nigga if you holla at a brah
With a 7 digit figga you should come in by the bar
I'm talkin? buying bottles, Cavalli Vodka
I'm wet and hot like lava
I'm switchin? 4 lanes in Range
Hangin' out the roof talkin? money ain?t a thing
Comin? all out my shirt on champaign
Damn lil' Miss Trina off the chain

I got a bottle

(Got a bottle)

I got a cup

(Got a cup)

I got ice

(Got ice)

So what's up?

(What's up?)

Walk in the club wearing superstar clothes
Feelin? like money 'cause I collect dough
Moe, miney, meenie, inny
Who's got Patron and Henny?
I don't splurge I spend
Drive a pearl Phantom
I'm so stinky stinky rich
My damn dog drive a Benz
Powder blue diamond shoes
Shinin? suits, Liberachi boo
Stuntin? on you like boo who you
I'm a icon bitch I though you knew
I only drop bombs, haters be like uh, uh
Girl, who she think she is? I'm is what you want me is
Girl, I don't want your man but I'll take your man
Your man and his friend they both my fans
You don't understand Miss Demeanor ain?t playin?
When we go out to eat I got your man payin?
