

Motorway

Little Boots

Foreign names, neon lights
Changing lanes in my mind
Passing towns we dont know
Heading for the unknown
All our friends, left behind
Theyre not even on my mind
They have lives, they have plans
They could never understandMeet me on the motorway
Together we could make our great escape
Meet me on the motorway
Maybe we can find our perfect place
We can drive away
We can drive away
Meet me on the motorway
Its just me and you
Its just me and youGetting late, coffees cold
Heavy eyes on the road
We wont stop, no we wont break
Shadows high, overtake
And the small town, we left behind
We wont drown, we wont hide
A new life, a new plan
They would never understandMeet me on the motorway
Together we could make our great escape
Meet me on the motorway
Maybe we can find our perfect place
We can drive away
We can drive away
Meet me on the motorway
Its just me and you
Its just me and youWe wont look back, so dont look back
We wont look back, so dont look back
We wont look back, so dont look back
We wont look back, so dont look back
We wont look backMeet me on the motorway
Together we could make our great escape
Meet me on the motorway
Maybe we can find our perfect place

We can drive away
We can drive away
Meet me on the motorway
Its just me and you
Its just me and you
