

Do Me Right

Emil Lanne

Do me, do me, do me right
Do me, do me...
I wait up late at night
Put out the candlelight
Go to sleep because i know
You'll be here tomorrow when i wake up
Give all the time you need
Your words i will believe
See it though the little things
If you know never to abuse it
Don't try me
Don't lie to me
Don't be afraid
Oh..
Dhorus:
Do me, do me, do me right
Now make
All your wishes come alive
When I say
Do me, do me, do me wrong
And i will
Give you more than you have to pay
Do me, do me, do me right
Now make
All your wishes come alive
When I say
Do me, do me, do me wrong
And I will
Make you wished that you never stayed
Do me, do me, do me right
Do me, do me...
Champange and caviar
So close but no cigar
All I need is what you are
Designer suit?
I'd rather see you on the weekend
Any words than honesty
Is more than enough for me
I'll wait and I'll be true

I just need to hear you say "I love you"

Don't try me

Don't lie to me

Don't be afraid

Oh..no

chorus:

Do me, do me, do me right

Now make

All your wishes come alive

When I say

Do me, do me, do me wrong

And I will

Give you more than you have to pay

Do me, do me, do me right

Now make

All your wishes come alive

When I say

Do me, do me, do me wrong

And I will

Make you wished that you never stayed

Give you all the time that you might need

Every single word I will believe

If you never ever crossed the line

If I had the chance I will stand by you

But you got to promise to be true

Anyway I say

Do me right now and make your wishes come alive

Chorus:

Do me, do me, do me right

Now make

All your wishes come alive

When I say

Do me, do me, do me wrong

And I will

Give you more than you have to pay

Do me, do me, do me right

Now make

All your wishes come alive

When I say

Do me, do me, do me wrong

And i will

Make you wished that you never stayed

Do me, do me, do me right

Now make
All your wishes come alive
When I say
Do me, do me, do me wrong
And i will
Give you more than you have to pay
Do me, do me, do me right
Now make
All your wishes come alive
When I say
Do me, do me, do me wrong
And i will
Make you wished that you never stayed
