

Lighters Up (Josh Harris Club Mix)

Lil' Kim

I come from Bedstuy, niggas either do or they gon' die
Gotta keep the ratchet close by
Someone murdered, nobody seen, nobody heard it
Just another funeral service
Niggas will get at you, come through shinin' they yap you
In broad daylight kidnap you
Feds get clapped too, police stay on us like tattoos
Niggas only grind 'cause we have to
Money is power, sling crack, weed and powder
Fiends come through every hour
S'all about that dollar and we nuh deal with cowards
Weak lambs get devoured by the lion
In the concrete jungle, the strong stand and rumble
The weak fold and crumble, it's the land of trouble
Brooklyn, home of the greatest rappers
Big comes first, then the Queen comes after Now put ya lighters up
Bedstuy put ya lighters up
New York put ya lighters up

No matter where you from put ya lighters up Now lemme give you a walk through
Show ya what to do and ya don't do
Where it's not safe to go to
Dem boys approach you
Better say quick who you close to
Don't come through if niggas don't know you
'Cause people is talkin', the streets is watchin'
The D's is lurkin' stash da nine in the garbage
The life of a hustla, the life of a gambler
Dice games kill' mo' niggas than cancer
Ya know who ya fuck with
Brooklyn don't run we run shit
Roll up and just bum rush shit
We don't play that out in B.K not at all

Y lo hago afuera del espacio
