

# Drunk On Love

Rihanna

I feel like Im a hopeless romantic  
I cant help fallin in love  
I fiene for love  
I want it I crave it  
I just cant get enough

Take me away  
I wear my heart on my sleeve  
Always let love take the lead  
I maybe a little naive  
Yeah

(chorus)  
You know Im drunk on love  
Drunk on love  
Nothing can sober me up  
Its all that I need  
Yeah yeah yeah yeah

Ive been let down  
But never been tainted  
So I stay thirsty for more  
No I wont hold back  
No drop is wasted  
I let love run its coarse

Take me away  
I wear my heart on my sleeve  
Always let love take the lead  
I maybe a little naive  
Yeah

(CHORUS)

You Know that Im drunk on love  
Drunk on love  
Nothing can sober me up  
You know Im  
Drunk on love  
Drunk drunk on love

Nothing can sober me up  
Its all that I need

Im so intoxicated  
I love the way you taste  
On my lips  
When we kiss  
You got me so additicted  
So much I cant resist  
Fallng into your arms

Take me away  
I wear my heart on my sleeve  
Always let love take the lead  
I maybe a little naive  
Yeah

(chorus)

You that Im drunk on love  
Drunk on love  
Nothing can sober me up  
You know Im drunk  
Drunk Drunk on love  
Nothing cane sober me up  
Its all that I need  
Its all that I need  
Its all that I need
