

# Whiskey Bent and Hell Bound-

Hank Williams Jr.

I've got a good woman at home, who thinks I do no wrong

    But sometimes Lord she just ain't always around

    And you know that's when I fall, I can't help myself at all

And I get whiskey bent and hell boundPlay me some songs about a ramblin' man, put a cold one in my hand

    'Cause you know I love to hear those guitar sounds

    Don't you play 'I'm So Lonesome I Could Cry'

    'Cause I'll get all balled up inside

And I'll get whiskey bent and hell boundSure enough about closing time, 'bout stoned out of my mind

    And I end up with some honky tonk special I found

    Just as sure as the morning sun comes thinking of my sweet girl at home

And I need to get whiskey bent and hell boundPlay me some songs about a ramblin' man put old Jim Beam in  
    my hand

    'Cause you know I still love to get drunk and hear country sounds

    But don't you play 'Your Cheatin' Heart'

    That'll tear me all apart

I'll get whiskey bent and hell boundYeah, old Hank's songs always make me feel low down
