

# A Little Sunshine (Intro)

**Sunshine Anderson**

Everybody needs a little sunshine, in your life  
Sometime to brighten up your day  
Everybody needs a little sunshine, in your life  
Sometimes, if it's only but a rayEverybody needs a little sunshine, in your life  
Sometime to brighten up your day  
Everybody needs a little sunshine, in your life  
Sometimes, if it's only but a ray
