

I Hope I Never

Tina Arena

I fall apart when you're around
When you're here, I'm nowhere
I can't pretend that I'm not down
I show it, I know it
I've been a fool
More than once, more than twice
I'm gonna move to a new town
Where the people are nice
I hope I never, I hope I never
Have to sigh again
I hope I never, I hope I never
Have to cry again
And I still want to beam and smile
Happiness is back in style
I hope I never, I hope I never
Have to see you again
It should be possible I know
To see you without stress
But I can see, I'll have to go
I'm changing my address
My urge to cry
I have failed to conceal
Life, it's no fun when you're hunted
By the things that you feel
I hope I never, I hope I never
Have to sigh again
I hope I never, I hope I never
Have to cry again
I'm for living while you can
I'm an optimistic woman
I hope I never, I hope I never
Have to see you again, again
I hope I never, I hope I never
I still want to beam and smile
Happiness is back in style
I hope I never, I hope I never
Have to see you again, again
Have to see you again, you again
