

Woah

Young Dro & Yung LA

See when you're raving out
You hear a cheer and you shout out loud
And out your pocket something drops out
You turn around, and you lose your crowd
I tink, I tink lost my tings
Look down and see, you see your key on string
See then the man upon the deck's mixing
We're pumping it up 'cause it's so boom
With I'm with I'm with I'm
Maybe we're just too hard for ya
More less more soul, I'll rip your torso
And the lyrics that I drop, are they gonna flop, no
Who wanna test Asher D let me know
Ride to the people I'm the star of the show
Ha, you really wanna tes? this flow
Can't touch cash if you don't make dough
Check out my lyrical style and my flow
Check out the roll? and the ice and my toe
Heights now some of you can't come close to
So Solid Crew postal
Style when I flow for you my Rolex and the deck
Ha ,I'm a gon? show it to you
Know where I'm going to, forget where I'm coming from
I'll be showing you, So Solid Crew joking you
See they're god damn hurt, set smoke to you
Where you gonna play? When I'm rocking your day
And when I say you're never gonna step in my way
Ha, I remember back in the day
Never had money tell me what did they say
Never gonna make it with the lyrical play
When I rock you to the rhythm, becomes a ontray
Right gold Rolex, that's engraved in ya? name
Do it we're gon? make money today
Do it we're gon? make money today
Do it we're gon? make money today
Money today, money today
Money M, money M, money today
Do it we're gon? make money today

See when you're raving out
You hear a cheer and you shout out loud
And out your pocket something drops out
You turn around, and you lose your crowd

Look down and see, you see your key on string
See then the man upon the deck's mixing
We're pumping it up 'cause it's so boom
