

# King Size

## Too Strong

I want to be part of the program  
I want to be part of the whole damn thing  
I say, minimum effort, maximum gain  
From the inside out it all looks the same Making me feel stronger  
Making me feel like  
The Hulk, I'll be king size Here it is, I'll stake my claim  
And I'll be first to warn you  
Here it is, I think the devil lives in California Check out the freak I'm laughing  
Excuse me are you talking to me?  
I say, minimum effort, maximum gain  
From the inside out it all looks the same Making me feel harder  
Making me feel like  
The Hulk, I'll be king size Here it is, I'll stake my claim  
And I'll be first to warn you  
Here it is, I think the devil lives in California I'm on a mission, I'm on a mission  
For my survival, my king size position  
I'm on a mission, in my condition  
Outside my world I know there's  
No place like home I'm on a mission, my king size position  
Outside my world I know there's  
No place like home  
I can't stop my life from crashing  
Out of control, I'm out of control  
Nothing to fear but fear itself and me I, I'd never sell my soul  
I never did a goddamn thing  
'Cause I'd never sell my soul  
For something that's free Minimum effort, maximum gain  
From the inside out it all looks the same  
Nothing to fear but fear itself  
And nothing to fear but fear itself  
And check out the freak  
And I'm still laughing  
Nothing to fear but fear itself and me Here it is, I'll stake my claim  
And I'll be first to warn you  
Here it is, I think the devil lives in California
