

Cudi The Kid

Steve Aoki/Kid Cudi/Travis Barker

Let the good times roll in
Yeah, we let the good times roll in
Yeah, we let the good times roll in

Whoa, yeah, yeah

We let the good times roll in
We let the good times roll in
Yeah, we let the good times roll in

Whoa, yeah, yeah

We let the good times roll in When I was a youngin'

Couldn't wait to get big

All in all, I stayed on my job

And you can call me Cudi the Kid When I was a youngin'

Couldn't wait to get big

All in all, I stayed on my job

And you can call me Cudi the Kid Can stop, but don't stop

Can stop, but don't, don't

Can stop, but won't stop

Can stop, but won't stop

Can stop, won't stop

Can stop, won't stop

Can stop, won't stop

Can stop, won't stop

Can stop, but don't stop Clap, clap, clap

Drinking, drinking

Smoking, smoking

That's my daily routine after rocking shows and low-scoping
Focused on the wrong things like the ghosts out of your dreams
And it really truly seems that this is supposed to happen, man

If this were to happen then I'd probably still achieve what I dreamed of even if I'm leaned up, I'm high up

All the damn kids that are listening to Gucci, man...

... Let the good times roll When I was youngin'

Couldn't wait to get big

All in all, I stayed on my job

And you can call me Cudi the Kid When I was youngin'

Couldn't wait to get big

All in all, I stayed on my job

And you can call me Cudi the Kid Can stop, but don't stop

Can stop, but don't, don't

Can stop, but won't stop

Can stop, but won't stop
Can stop, won't stop
Can stop, won't stop
Can stop, won't stop
Can stop, won't stop
Can stop, but don't stop
