It's tricky

Beastie Boys & Run DMC

This beat is my recital I think it's very vital
To rock a rhyme that's right on time
It's tricky tricky yo here we go
It's tricky to rock a rhyme
To rock a rhyme that's right on time
It's tricky, tricky, tricky, tricky, tricky, tricky
It's tricky to rock a rhyme
To rock a rhyme that's right on time
It's tricky, tricky, tricky, tricky, tricky, tricky
I met this little girlie, her hair was kind of curly
Went to her house to bust her out, I had to leave real early
These girls are really sleazy, all they just say is please me
Or spend some time and rock a rhyme, I said it's not that easy
It's tricky to rock a rhyme
To rock a rhyme that's right on time
It's tricky, tricky, tricky, tricky, tricky, tricky
It's tricky to rock a rhyme
To rock a rhyme that's right on time
It's tricky, tricky, tricky, tricky, tricky, tricky
In New York the people talk and try to make us rhyme
They really hawk, but we just walk, because we have no time
And in the city it's a pity, 'cause we just can't hide
Tinted windows don't mean nothing, they know who's inside
It's tricky to rock a rhyme
To rock a rhyme that's right on time
It's tricky, tricky, tricky, tricky, tricky, tricky
It's tricky to rock a rhyme
To rock a rhyme that's right on time
It's tricky, tricky, tricky, tricky, tricky, tricky
When I wake up people take up mostly all of my time
I'm not singing, phone keep ringing so I make up a rhyme
I'm not bragging, people nagging, 'cause they think I'm a star
Always tearing what I'm wearing, I think they're going too far
A girl named Tara follows Jared every gig we play
Evil dissed her and dismissed her, now she's jocking spanky
I ain't lying, girls be crying, 'cause we're on TV
They even bother my poor father, 'cause he's down with me
It's tricky to rock a rhyme
To rock a rhyme that's right on time

It's tricky, tricky, tricky, tricky, tricky, tricky
It's tricky to rock a rhyme
To rock a rhyme that's right on time
It's tricky, tricky, tricky, tricky, tricky, tricky
We are not dumb, we don't use drugs, but you assume on your own
They offer coke and lots of dope, but we just leave it alone
It's like that y'all, but we don't quit
You keep on, rock shot, 'cause this is it
