Damn It All

The Staves

I give, I give, I give,
Oh I give it away,
But you'll never stay,
Oh will you?Oh I know, I know, I know,
I won't get angry for long,
Well I guess I'll have to sleep this one off.
I wanna keep you 'side me like a secret that I'll never tell,
And when all is said and done,
We'll run.
Reading an open book,
Part of the heart I took,
Part of what you mistook for innocence,
If that makes sense?
I wanna keep you 'side me like a secret that I'll never tell,
And when all is said and done,
We'll run.(Even though I love you,
I want you to go)Even though I love you,
I want you to go.
Even though I love you,
I want you to go.
Even though I love you,
I want you to go.
Oh I don't know,
Oh, go back!
Throw it all to the wind,
Well damn it all,
I don't want it all.
Throw it all to the wind,
Well damn it all,
I don't want it all.
Think I need a drink,
Well damn it all,
I don't want it all.
(woah)
Never lose, never win,
I can see it all,
See it start to fall.
Give it out, keep it in,
I can see it all,

See it start to fall.
Think I need a drink,
Oh well damn it all,
I don't want it all.
Throw it all to the wind,
Well damn it all,
I don't want it all.
Throw it all to the wind,
Oh well damn it all,
I don't want it all.
