

Got My Mojo Working

Canned Heat

I got my mojo working but it just don't work on you
I got my mojo working but it just don't work on you
I'm gonna love you so bad that I don't know what to do. I'm going down Louisiana, get me a mojo hand
I'm going down Louisiana, get me a mojo hand
I'm gonna fix that woman so she can't have no other man. I got my mojo working, I got my mojo working
I got my mojo working, I got my mojo working
I got my mojo working but it just don't work on you. I got a gypsy woman, she's giving me advice
I got a gypsy woman, she's giving me advice
I got a whole lot of tricks, baby, keepin' her at night.
