

Under the Dying Sun (Demo 2000)

Burning Point

Despite all the pain
I have a strong belief
darkness and rain
won't bring me down[Pre-chorus]Through fire and water I run
borrowed time Under the Dying SunI remember the time
The time of innocence
a child-like belief
the faith in god[Pre-chorus][Chorus]Forever I'll try
through my lifetime
You won't see me cry
before the last sunrise'til the end of it all I will fight...I still stand on my own
last days are passing by
I have to be strong
I never let go[Pre-chorus][Chorus]
