Desire

Vassy

Ooh ah lalala (5x)

Can't get you out of my head
Thinking 'bout you while lying in bed (bed)
Your fingertips are clean
And got me must be hearing
I know I wanna do, scream your name out

I want your desire (4x)
(I want your desire)

Ooh ah lalala (3x)

The way you touch my body (body)
Make me lose control
I feel your wet lips running down the back of my neck
And all I wanna do, scream your name out

I want your desire (4x)
(I want your desire)

Touch my body
Make me feel lax
From your love
Got it burning inside
I can't deny it
When no one's there
That's a crazy love
As .....

I want your desire (4x)
(I want your desire)

Ooh ah lalala (3x)
I want your desire
Ooh ah lalala (3x)
I want your desire
