

# Let Me Come on Home

Otis Redding

Oh, baby, I want to come home to you  
Baby, I got to get home to you  
Days and nights feeling so blue  
Lord, I just don't know what I'm gonna do  
Oh, baby, I wanna come home  
Oh, baby, I you're one thousand miles away  
Baby, you're just one thousand miles away  
Take these chains from 'round my heart  
Never leave you, you no more you never depart  
Baby, let me come on home to you  
Oh, I love you, baby, let me come on home  
Please, let me come on home to you, girl  
Crying my eyes out over you  
I don't know nothing in the world that I'm gonna do  
But I'm gonna  
Come on, girl, say it, I got to get home  
Yeah, baby girl, I love you, honey  
Please let me come home
