

Monkey Casino

Babyshambles

Ones too many and a hundred ain't enough
for Corna baby give me more oh that stuff
oh baby oh baby we had a real good time

Pipey Magraw

Pipey Magraw

Pipey Magraw

Pipey Magraw I run a monkey casino

I gotta head full of vino

I hear the voices of evil

Telling me to do murder.

I got my false feel

I got my false friends

I got my rum deal

I got my soul train

It's coming round the bend And believe me

You know you wouldn't wanna be me

Nor would you want the shame or the strain of my name

But if i can live my life all over again

There ain't one single thing I'd change Bilo, they call me Billy Bilo

I'm like a fish on a lilo, I'm all out of place

It's written all over my face Bilo, some call me blood clot weirdo

Oh they fuck with your mind, oh

When you do it skag and bone Bilo, they call me Billy Bilo

Oh they fuck with your mind, oh

When you do it skag and bone Pipey Magraw

That's Pipey Magraw

Pipey Magraw

That's Pipey Magraw One's too many and a hundred ain't enough

For Corna baby give me more oh that stuff

Oh baby, oh baby

We had a real good time

Just me and you
