

# You Don't Know a Good Thing

[Michael Zager Band](#)

You don't know a good thing  
When you see it, when it's right before you  
You don't know a good thing  
When you have it, so you'll lose it I give all my time to you  
Am I a fool? Who needs this?  
But if I was down on you, what would you do?  
If I don't bring a thing, so You don't know a good thing  
When you see it, when it's right before you  
You don't know a good thing  
When you have it, so you'll lose it But if I found someone else  
Who needed me and left you  
I've been thinking 'bout myself and no one else  
All I'm trying to say is  
You don't know a good thing  
When you see it, when it's right before you  
You don't know a good thing  
When you have it, so you'll lose it
