

Dum Dum Boys (Live in San Francisco 1981)

Iggy Pop

What happened to Zeke?
He's dead on Jones, man
How about Dave?
O.D'd on alcohol Oh, what's Rock doing?
Oh, he's living with his mother
What about James?
He's gone straight Well, things have been tough
Without the Dum Dum Boys
I can't seem to speak the language
I remember how they
Used to stare at the ground They looked as if they
Put the whole world
Looked as if they put
The whole world down The first time I met the Dum Dum Boys
I was fascinated
They just stood in front of the old drug store
I was most impressed
No one else was impressed, not at all And we'd sing
Da, da, da, da, da
Dum, dum day Well, where are you now my Dum Dum Boys?
Are you alive or dead?
Have you left me the last of the Dum Dum daze?
And then the sun goes down
And then the boys broke down People said we were negative
They said we would take but we would never give But we'd sing
Da, da, da, da, da, da
Dum, dum, day We'd sing
Da, da, da, da, da, da
And hope it would pay We'd sing
Da, da, da, da, da
[Incomprehensible]
Dum, dum day Well now, I'm looking for the Dum Dum Boys
Hey, where are you now when I need your noise? Now, I'm looking for the Dum Dum Boys
The walls close in and I need some noise
