

# Tell Me You Love Me

Amerie

C'mon, I can feel it now I said, hey, I know it's been a minute  
Since it's been good, baby, I ain't lyin'  
You know a lil' somethin' missin'  
Let me give you a piece of my mind Maybe I need a little attention  
Maybe I need a little more time  
Maybe I need a little affection  
Baby, I need you to just tell me I'm gonna make you love me  
I'm gonna make you love me  
I'm gonna give you what you never had  
'Til you're always thinkin' of me I'm gonna make you love me  
I'm gonna make you love me  
I got what you need and you gon' see  
Baby, I'm gonna make you love me So just tell me you love me I know I ain't the one to play  
But I'ma tell you my love don't come cheap  
You act like you don't want it  
But I'll make you, I'ma make you see Maybe I need a little attention  
Maybe I need a little more time  
Maybe I need a little affection  
Baby, I need you to just tell me I'm gonna make you love me  
I'm gonna make you love me  
I'm gonna give you what you never had  
'Til you're always thinkin' of me I'm gonna make you love me  
I'm gonna make you love me  
I got what you need and you gon' see  
Baby, I'm gonna make you love me So just tell me you love me  
Tell me you love me  
Tell me you love me  
Just tell me you love me Ladies, if you love him and your lovin' so good  
But he don't love you like you know he should  
Say hey, hey, hey, hey, say hey, hey, hey, hey Though he ain't tryin' to hear nothin' you say  
But you know he'll love at the end of the day  
Say hey, hey, hey, hey, say hey, hey, hey, hey I'm gonna make you love me  
I'm gonna make you love me  
I'm gonna make you love me  
I'm gonna make you I'm gonna make you love me  
I'm gonna make you love me  
I'm gonna make you love me  
I'm gonna make you So just tell me you love me  
Tell me you love me

Tell me you love me  
Just tell me you love me  
Don't be shy, baby Give me what you got  
Give me what you got  
Give me what you got I'm gonna make you love me  
I'm gonna make you love me  
I'm gonna make you love me  
I'm gonna make you Just tell me you love me  
Just tell me you love me  
Just tell me you love me  
Just tell me you love me, hey
