## Skankin' Pickle

And I love you, yes I do, 'cause I know that you love me too  
And I love you , yes I do, gonna spend all my money on you  
And everyday when I say that I'm not gonna take anymore

It's okay, don't go away, I'll be back when you're closing the doorI need some more to restore all the feelings  
that I get from you

And I want more, give me more, all I want is a barrel of youAnd I love you, yes I do, 'cause I know that you  
love me too

And I love you, yes I do, gonna spend all my money on youAnd I don't care when they stare at the way that I'm  
always with you

We're a pair, it's not fair when they say we're a special crewAnd I love you, yes I do, 'cause I know that you  
love me too

And I love you, yes I do, gonna spend all my money on you  
And everyday when I say that I'm not gonna take anymore

It's okay, don't go away, I'll be back when you're closing the doorAnd I love you, yes I do, 'cause I know that  
you love me too
