

# Revival Town

## Delirious?

Well, I've got a message to bring  
I can't preach but I can sing  
And me and my brothers here  
Gonna play redemption hymns  
We're not on our own you know  
It's all around the world  
'Cause this is freedom generation  
Living for revival in this time  
Hallelujah, You've turned my mourning into dancing  
Revival town that's what they're calling this place now  
Revival town it'll put a smile on your face now  
Revival town Well, I've got a story to tell  
About the King above all kings  
You spoke for peace, hope, love and justice  
Things that we all need today  
You let a broken generation  
Become a dancing generation  
This is revival generation  
You may not hear it on the radio  
But you can feel it in the air  
Hallelujah, You've turned our sorrow into laughter  
Revival town that's what they're calling this place now  
Revival town it'll put a smile on your face now  
Revival town that's what they're calling this place now  
Revival town Revival town that's what they're calling this place now  
Revival town it'll put a smile on your face now  
Revival town that's what they're calling this place now  
Revival town, yeah  
Revival town  
Revival town  
Revival town
