

# Trapped (SAW IV Soundtrack)

## Soulidium

Feel trapped inside this life  
Your bullshit overwhelms me  
Nothing is what I get  
Please tell me that it's over  
Your touch is cold like death  
Please hurry get it over  
I'm not like you  
And you don't see me  
Chorus:  
You fucked up, did it again  
And I'm tired of healing you, sorry  
You're stupid and you got no face  
And I'm tired of hearing you, sorry  
It's time that we realize  
That this is really over  
I'm losing, falling, dying  
Sick of your fucking crying  
Your touch is cold like death  
Please hurry get it over  
I'm not like you  
And you don't see me  
Chorus: Jealousy is gone  
It's just lost, turned wrong  
Sex is so pass  
Please don't touch me, fuck me, love me  
Please go away  
Chorus (2x)
