

Dream Girl

ìfǿì•'ë<^ (SHINee)

(You're my dream)
 Baby, I'm your dream girl
 My spell, your toy, I'm your dream girl
 The way I walk, the way I look
 Baby, I'm your dream girl
 When I'm dreaming I'm alone with you
 Lying in my lonely bed
 Oh, the times you held me in your arms
 And all our fantasies we shared
 No one's touch my body like you do
 Not in that special way
 'Cause I've found your love
 And it feels so right so don't let me go
 Baby, I'm your dream girl
 I'm like your world, I'm your dream girl
 Believe me, baby, it's true
 I wanna be with you
 The way I walk, the way I look
 Hands all over me
 Baby, I'm your dream girl
 I'm like your world, I'm your dream girl
 Believe me baby it's true
 I wanna be with you
 The way I walk, the way I look
 Hands all over me
 Baby, I'm your dream girl
 When you hold me in your arms
 You made me feel so safe
 Everyone told me to walk away
 But don't you say why I stay
 No one's touch my body like you do
 Not in that special way
 'Cause I've found your love
 And it feels so right so don't let me go
 I'm like your world, I'm your dream girl
 Believe me baby it's true
 I wanna be with you
 The way I walk, the way I look
 Hands all over me

Baby, I'm your dream girl
I'm like your world, I'm your dream girl
Believe me baby it's true
I wanna be with you
The way I walk, the way I look
Hands all over me
Baby, I'm your dream girl
Baby, I'm your dream girl
Baby, I'm your dream girl
My spell, your toy, I'm your dream girl
Baby, I'm your dream girl
(You're my dream)
