Poor Boy

Woody Guthrie

My mother called me to her bedside

These words she said to me

If you don't quit your rambling ways

They're gonna get you in the penitentiaryGonna get you in the penitentiary poor boy

Gonna get you in the penitentiary

If you don't quit your reckless ways

They're gonna get you in the penitentiarySo I sat myself down in a gambling game

But I could not play my hand

Just thinking about that woman I love

Run away with another manRun away with another man, poor boy

Run away with another man

Just thinking about that woman I love

Run away with another manThe cards came around the table, Lord

And I had such a worried mind

My stack of gold dollars I wasted away

And I lost about ninety nine lost about ninety nine poor boy

I lost about ninety nine

My stack of gold dollars I wasted away

And I lost about ninety nineIt wasn't very long till I seen him again

He ran away left her behind

And I laid him down with my old forty four

And the judge gave me ninety nineThe judge gave me ninety nine, poor boy

The judge gave me ninety nine

I laid a man down with my big forty four

And the judge gave me ninety nineWell, the jury said I had to pay

And the clerk he wrote it down

And the judge called out my number Two sixes upside down

Two sixes upside down, poor boy

Two sixes upside down

The judge called out my number
