

Every Day You've Been Away

Bebel Gilberto

(Written by Pedro Baby, Daniel Jobim) So you've been gone
And I am alone
I miss you so
I miss you And if you knew what I've been through
I love you so
I love you Every moment
Every night away (from you)
Every day you've been away
Every day you've been away from me So you've been gone
And I am alone
I love you so
I love you And if you knew what I've been through
I miss you so
I miss you Every moment
Every night away (from you)
Every day you've been away
Every day you've been away from me
From me...
