Every Day You've Been Away

Bebel Gilberto

(Written by Pedro Baby, Daniel Jobim)So you've been gone
And I am alone
I miss you so

I miss youAnd if you knew what I've been through

I love you so

I love youEvery moment Every night away (from you)

Every day you've been away

Every day you've been away from meSo you've been gone

And I am alone

I love you so

I love youAnd if you knew what I've been through

I miss you so

I miss youEvery moment

Every night away (from you)

Every day you've been away

Every day you've been away from me

From me...
