

# Royal Blues

## Dragonette

After every shape and size and colour  
No boots or shoes can seem to kick these royal blues  
Staying sticky from a sizzling hot summer  
Red hot for you has gone and turned to royal blues  
Oh when we first kissed at the bus stop the ground fell out  
under us  
Drinking each other up like we were both a bottomless cup  
Getting drenched in your sweat and the scent of our sex  
And the next thing I know I know I know I know it all  
Oh Royal blues, and I'm getting it all over you  
Royal blue, what's a girl to do  
Royal blue, are we cool  
Oh royal blue  
I kick off [?]  
But then again maybe I'm right the way I am  
And when we all just fit to the same colour  
Oh royal blue do I just go better with you  
We were so soft to the touch and so deep in this love  
Did we want way too much, more than we could ever give up  
Still I'm drenched in your sweat and the scent of our sex  
And the next thing I know I know I know I know it all  
Go on Royal blues, and I'm getting it all over you  
Royal blue, what's a girl to do  
Royal blue, are we cool  
Oh royal blue  
Oh when we first kissed at the bus stop the ground fell out under us  
Drinking each other up like we were both a bottomless cup  
Getting drenched in your sweat and the scent of our sex  
And the next thing I know I know I know I know it all  
Those royal blues  
Royal blue, what's a girl to do  
Royal blue, are we cool  
Are we cool  
Royal blues, and I'm getting it all over you  
Royal blue, what's a girl to do  
Royal blue, are we cool  
Oh royal blue  
Are we cool  
Oh royal blue
