

# Wish I Woz a Dog

## Alien Sex Fiend

Never do a days work  
I never have a wash  
Never a suit  
I got no need to be posh  
Keep your lamp post shiny and bright  
Stop, look and listen!  
Never do a days work,  
never have to wash,  
never wear a suit,  
I got no need to be posh.  
Keep your lamp post shiny and bright,  
cause there ain't no day,  
and there ain't no night.  
I wish I was a dog.  
Bastardized conception,  
Dogs in a line  
You make the rules  
Well that's just fine.  
I wish I was a dog.  
So you want to die  
Yea you're gonna die  
Who's been sleeping in my grave? (brain)  
I gotta get back to what I know  
I wish I was a dog  
Yeah! Yeah! Yeah!  
Die-di-di-de-dit-da  
Listen all you people  
To the north, south, east and west.  
Listen to your dog.  
He knows best.
