A Change

Flipsyde

[Verse 1]
If it wasnt for my pain
Then I wouldnt know my strength
If it wasnt for my future
I wont be fightin here todayAnd of course, I know my way up
Cause I fell the same way down
What matters is what you do
When the troubles come aroundTake a step now
Get up on your feet
Gotta be brave
No clouds above theeFollow your heart
And then youll see
Theres always a way
Hold on tight
Tomorrow will bring
Every key to every locked dream
It aint hard as it seems[Chorus]
Baby dont cry
Things are bout to change
Baby dont cry
Things are bout to change
And all the hurt and the tears
Will be just history
And all the doubts and the stress
Will be just history
And all the hurt and the tears
Will be just history
And all the doubts and the stress
Will be just history[Verse 2]
Your mind carries heavy weight
And your knees are kinda weak
You wanna run and fly away
But you hurt the wound is deepYou feel like its time to give up
When your soul is cryin loud
Nothing lasts forever
You will find your wayTake a step now
Get up on your feet
Gotta be brave
No clouds above theeFollow your heart

And then youll see
Theres always a way
Hold on tight
Tomorrow will bring
Every key to every locked dream
It aint hard as it seems[Chorus]
Baby dont cry
Things are bout to change
Baby dont cry
Things are bout to change
And all the hurt and the tears
Will be just history
And all the doubts and the stress
Will be just history
And all the hurt and the tears
Will be just history
And all the doubts and the stress
Will be just history[Verse 3]
I only wanna be a real man
I already got a real plan
I aint gotta be rich
I aint gotta have wealthI just do the best I can
Cause the life of a child
Innocents worth more
Than a ring and ya new jeansGot love in my life
And thats all that I need
You believe and you succeed
And through the pain and the hard timesWe push on with our head high
Each one reach one clothe one feed one
Do it right now, its timeThings about to change
Oh yes, we can
Things about to change
Yes yes we canThings about to change
Oh yes, we can
Things about to change
Yes yes we canThings about to change
Oh yes, we can
Things about to change
Yes yes we can[Chorus]
Baby dont cry
Things are bout to change
Baby dont cry
Things are bout to change
And all the hurt and the tears
Will be just history

And all the doubts and the stress
Will be just history
And all the hurt and the tears
Will be just history
And all the doubts and the stress
Will be just history
