Simon Webbe

What a way to wake up
Just to find you there and touch you in the morning
You turn your head and look up
There's no need to catch me baby, I'm not fallingCould have guessed after all that
I'd be standing tall you make me feelFree, when you're near me
Yeah, I'm free all the time
I just need you to hear me
It's only you that makes me free
I'm not used to being loved, not meOpen up the window
Just as the sun comes over the horizon
What a perfect moment
Trying to catch my breath, I find it so surprisingWho'd have guessed after all that
I'd be standing tall, you make me feelFree, when you're near me
Yeah, I'm free all the time
I just need you to hear me
It's only you that makes me free
I'm not used to being lovedSeem to exist with these chains around me
I thought that I was free
I never knew that's not an easy thing to be
It's just the way that your love surrounds meWho'd have guessed after all that
I'd be standing tall, you make me feelFree, when you're near meWho'd have guessed after all that
I'd be standing tall, you make me feelFree, when you're near me
Yeah, I'm free all the time
I just need you to hear me
It's only you that makes me free
I'm not used to being loved, not meNot me, free to sing
