Saint-Tropez

Jean-Roch

Shout out to my man named Jean Roch
Big Snoop Dog
Let's go
Saint-Tropez
If she know about thatInternationalI know where I belong
Even when I'm away
I've never gone too long
Back to you Saint-Tropez
No matter where I go
No matter where I stay
My Heart will always beSomewhere in Saint-TropezSaint-Tropez'll always can express my love for you
My City best time of the sun
Saint-Tropez you have made to make my dreams come trueMy CityI'm sitting on the dock
I'm sitting on the dock
I'm sitting on the dock
It's not just sitting on the bench
I'm sitting on the dock
I'm sitting on the dock
I'm sitting on the dockIt's not just sitting on the benchYou hid from my bluesYou get my hopes awayWe shared so many malls
You and I St Tropez
One day I'll take you there
So you can understand
There's so much we can shareIn the sand Saint-TropezSaint-Tropez'll always can express my love for you
My City best time of the sun
Saint-Tropez you have made to make my dreams come trueMy CityI'm sitting on the dock
I'm sitting on the dock
I'm sitting on the dock
It's not just sitting on the bench
I'm sitting on the dock
I'm sitting on the dock
I'm sitting on the dock
It's not just sitting on the bench
I'm sitting on the dock I'm sitting on the dock
I'm sitting on the dock
It's not just sitting on the bench
I'm sitting on the dock
I'm sitting on the dock
I'm sitting on the dockIt's not just sitting on the benchOn the beach

By the sand
Baby girl, I'm the man
What a deal !
How you feel ?
You got sex appeal
And I just wanna better that
I header that
Set her back
Let it up
Hair down
Music background
Only popping
Song rocking
Snoopy dog
All happened
Calculated down my lady
Isolated, finally made it
Girls, girls are everywhere
I'm a dog, but Im a player
Hands up
Now pop your fist
Up and downDo that shitI'm sitting on the dock
I'm sitting on the dock
I'm sitting on the dock
It's not just sitting on the bench
I'm sitting on the dock
I'm sitting on the dock
I'm sitting on the dock
It's not just sitting on the bench
I'm sitting on the dock
I'm sitting on the dock
I'm sitting on the dock
It's not just sitting on the bench
