Tonight I' M Getting Over You

Carly Rae Jepsen

I wanna smas your fears
And get drunk in off your tears
Don't you share your smile with anyone else but me
I wanna touch your heart
I wanna crash it in my hands
Make a plea, and cry
As you give up all the lies

We're not lovers, but more than friends
Put our flame to every single word you ever said
No more crying, to get me through
I keep dancing til the morning with somebody new

Tonight i'm getting over you
Tonight i'm getting over you
Tonight i'm getting over you
Tonight i'm getting over you
Over you, o-over you

[beat break]

Stuck in a real bad dream,
And that it feels so new to me
Should be in your arms, but i'm begging at your feet
It's been a real hard night
And I just hold my pillow tight
You won't love me back, no, it's not you and I

We're not lovers, but more than friends
Put our flame to every single word you ever said
No more crying, to get me through
I keep dancing til the morning with somebody new

Tonight i'm getting over you
Tonight i'm getting over you
Tonight i'm getting over you
Tonight i'm getting over you
Over you, o-over you

Tonight i'm getting over you

Tonight i'm getting over you
Tonight i'm getting over you
Over you, o-over you

We're not lovers, but more than friends
Put our flame to every single word you ever said
No more crying, to get me through
I keep dancing til the morning with somebody new
Tonight i'm getting over you
