

I Belong To God (Featuring Dawn Martin)

Junior Tucker

I BELONG TO GOD

Verse 1: Take away the hurt and pain
The phony smiles and lies, your silly games
Taking back the keys to my heart
Don't you act surprised
Holy Spirit's opened up my eyes
Taking off the mask you made for me
Uncover the abuse, it's time to scream
I'm going back to God's sanctity
Can't bare your name no more
I'm walking out the door

Chorus: Cause I, I belong to God (Ooh, ohh, ohh, ohh)
I, I belong to God
So you cannot have my heart, cannot have my mind
I'm really leaving you this time
I belong to God
Oh yeah

Verse 2: Now don't you try and act victimized
You've sold me that before, this time not buying
That movie's getting old seen it before
I've come to my senses
This girl can't live like this
Yes it was my bad, don't get me wrong
It was I who let you in, but now I'm strong
God made me a queen so why should I, live just like a slave?
My destiny's no grave

Chorus

Vamp: No you cannot have my heart, cannot have my mind (Rept)
I was bought with a price, I'm no longer my own

Chorus (Rept)
