Believe

Aiden

Lying face down, lying face down
In the gutter now, so damn proud
Well, I know, I know, I know
It's my fault, it's my fault
Lying face down, lying face down
In the gutter now, so damn proud
Well, I know, I know, I know
It's my fault, it's my fault
In a world where we all just waste away and suffer
(We just waste away)
In a place you cry for today
(We're all going mad)
Believe, believe, believe in me
(I will follow)
Believe, believe, believe in me
(I will follow)
Lying face down, lying face down
In the underground, so damn proud
Well, I know, I know, I know
It's my fault, it's my fault
In a world where we all just waste away and suffer
(We just waste away)
In a place you cry for today
(We've all been brainwashed)
Believe, believe, believe in me
(I will follow)
Believe, believe, believe in me
(I will follow)
Believe, believe, believe in me
(I will follow)
Believe, believe, believe in me
(I will follow)
Love, silence and fade away
(Darkness, darkness and decay)
Scarlet kiss and what to say
(Darkness, darkness and decay)
Love, silence and fade away
(Darkness, darkness and decay)
Scarlet kiss and what to say

(Darkness, darkness and decay)
Believe, believe, believe in me
Believe, believe, believe in me
Believe, believe, believe in me
(I will follow)
Believe, believe, believe in me
(I will follow)
Believe, believe, believe in me
(I will follow)
Believe, believe, believe in me
