

Meaning of It All

Ry Cuming

oo yea
I might turn you away
find a new day where I'm free from me
sunlight touches my face
how sweetly day embraces all I've ever seen
but in this dream, yeah I might follow you now
oh oh no no I don't understand
the meaning of it all, so hold my hand
I'll need you til the end, please break my falls
and pick me up again oh help me learn
the meaning of it all
yeah yeah
oh oh
yeah
so turn your head away
I've done something wrong again
and I've got nothing to say
but then we got this feeling that I'm falling in love
got the magic in my fingers from your heavenly touch
well I know I need ya
cuz' your loving's got me reeling just to rise above it all
yeah I might follow you know
oh oh no no I don't understand
the meaning of it all, so hold my hand
I'll need you til the end, please break my falls
and pick me up again oh help me learn
the meaning of it all no no ooooh the meanin' of it all no noooooooh
I don't understand
the meaning of it all, so hold my hand
I'll need you til the end, please break my falls
and pick me up again oh help me learn
the meaning of it all, now I understand
the meaning of it all, I'll hold your hand
I'll pick you up again, yes, break your falls
and pick you up again we'll always be
the meaning of it all Sweet Love
