

Soft Rock Star (Jimmy vs. Joe Mix)

Metric

Climb the wall to make the sun rise in time
But the night had already begun
Climb the wall to make the sun rise in time
But the night had already begun
Now here I am I am the one
So hang high soft star
Don't shine for swineNot a lot of room to move us
Where is my guide
I tried lookin' up to you girls
Please correct me, but didn't you let the work slide
Capitalize on a novelty, cheap pink spotlight
Is it alrightChoose the highest bidder was my answer
When they told me I was up for sale
School yard junior high style bullies
Have always tried to buy the better girls
But failed, now the check is in the mailBubble gumbo martini
Is nothing like depanneur red wine
Travel through time
Who were you after
You were mineChoose the highest bidder was my answer
When they told me I was up for sale
School yard junior high style bullies
Have always tried to buy the better girls, haven't they
Choose the brightest future, mind the death
And try to buy the better girls
But failed till now
Check is in the mailSo hang high
Soft rock star
Hang high
Soft rock star
Don't shine
Before swineChoose the highest bidder was my answer
When they told me i was up for sale
School yard junior high style bullies
Have always tried to buy the better girls, haven't they?Choose the highest bidder was my answer
When they told me i was up for sale
School yard junior high style bullies
Have always tried to buy the better girls
But failed now

The check is in the mail
