Whatever You Want

Tina Turner

(A. Baker, T. Dane, F. Zarr)
Producer: Trevor Horn
Album: Wildest Dreams (96)

Whatever you want me to do I will do it for you
Whatever you want me to be I will be what you need
Because it's love that I feel whenever you're really near
I'm feeling sensual
I can't rely on myself, I'm wanting you and no one else
You've got me wrapped up
Cause times takes what love heals
Wherever you are I know it's for real

Whatever you want me to do, I will do it for you
Whatever you want me to be, I will be what you need
Because it's love that I feel whenever you're really near
I'm feeling sensual
And I, I know that it's real

I know you've had pains in your heart, that have torn you apart
I know you've been safe on your own, but together we're strong
Because it's love that I feel whenever you're holding me
I'm feeeling passionate
And I can't deny it in myself, I'm wanting you and no one else
You've got the power
Cause love takes what time steals
And deeep in my heart I know that it's real

Whatever you want me to do, I will do it for you
Whatever you want me to be, I will be what you need
Because it's love that I feel whenever you're next to me
I'm feeling sensual
I know (know), I know (I know) that it's real

Cause times takes and love heals
Wherever you are I know it's for real
I know, I know that it's real

Whatever you want me to do baby, baby, baby
I will do, darling, do it for you

Whatever you want me to be, yeah
I will be everything
Because it's love that I feel whenever you're really near
I'm feeling sexual
It's time that I breathe for the love that pleases me
Too easily, easily, baby
