

Missed Again

[Corday](#)

Trying To Connect Having No Luck Yet,
I Missed Again Always Searching, Taking Aim,
I Fire Again, You're So Far Away,
I Missed Again. Shooting For U, But U Won't Let Me Thru
You Walk Away Unscathed, I Missed Again Ammunition In My Eyes,
Like Little Arrows, I Try To Find
Some Way 2 Get Through, To Pierce Ur Skin,
But You Ignore Me, And I Can't Get In
I Missed Again Shooting For U, But U Won't Let Me Thru
You Walk Away Unscathed, I Missed Again Shooting For You Shooting For You
Won't Let Me Thru... Time And Time And Time Again,
I Explode And Wonder When
You'll Ever Notice, You'll Ever See
That You've Become My Sweet Enemy Shooting For U, But U Won't Let Me Thru
You Walk Away Unscathed, I Missed Again Shooting For You Shooting For You
Shooting For You Shooting For You
Shooting For You Shooting For You
