

# I'm in It

## Kanye West

Damn your lips very soft  
As I turn my Blackberry off  
And I turn your bath water on  
And you turn off your iPhone  
Careless whispers, eye fuckin', bitin' ass  
Neck, ears, hands, legs, eatin' ass  
Your pussy's too good, I need to crash  
Your titties, let 'em out, free at last  
Thank God almighty, they free at last  
We was up at the party but we was leavin' fast  
Had to stop at 7-Eleven like I needed gas  
I'm lyin', I needed condoms, don't look through the glass  
Chasin' love, lot of bittersweet hours lost  
Eatin' Asian pussy, all I need was sweet and sour sauce  
Tell your boss you need an extra hour off  
Get you super wet after we turn the shower off That's all them can do (say wah, say wah)  
That's all them can do  
We deal with action ting  
Just a badman thing a dat man do  
Action thing yo a badman ting I'm a badman you if know say  
Disrespect we no tek, no way Jose  
Try that 'pon February the 30th  
That's hard, couldn't try that no day  
When we roll 'round 'pon your block  
Nuh bother feel say we won't spray (like a aerosol can)  
When we roll 'round 'pon your block  
Nuh bother feel say we won't spray (like an aerosol can)  
We ah go smile pon court day  
Because we beat murder charge like O.J. That's right I'm in it  
(Should've known I would fall)  
I'm in it  
(Stepping on cracks on the floor)  
That's right  
(And boys at your door)  
That's right I'm in it  
(Well you need to fight for your own)  
That's right I'm in it  
(Then don't let me at your table)  
I'm in it

(If you just gonna lay there)  
 Fist jumps in the air, you love flame wars  
 (I'll be long gone, grab that ass, set your code)Uh, picked up where we left off  
 Uh, I need you home when I get off  
 Uh, you know I need that wet mouth  
 Uh, I know you need that reptile  
 Uh, she cut from a different textile  
 Uh, she love different kinds of sex now  
 Uh, black girl sippin' white wine  
 Put my fist in her like a civil rights sign  
 And grabbed it with a slight grind  
 And held it 'til the right time  
 Then she came like Ah!That's why I'm in it and I can't get out  
 (That's all them can do (say wah, say wah))  
 That's why I'm in it and I can't get out  
 That's all them can do  
 We deal with action ting  
 Just a badman thing a dat man do  
 That's right I'm in it  
 (I'll be long gone, grab that ass, set your code)Say you love who I  
 Lay it off, it off  
 Star fucker  
 Star fucker  
 Star fucker  
 Who, whenTime to take it too far now  
 Uh, Michael Douglas out the car now  
 Uh, got the kids and the wife life  
 Uh, but can't wake up from the night life  
 Uh, I'm so scared of my demons  
 Uh, I go to sleep with a nightlight  
 Uh, my mind move like a Tron bike  
 Uh, pop a wheelie on the Zeitgeist  
 Uh, I'm finna start a new movement  
 Uh, being led by the drums  
 Uh, I'm a rap-lic priest  
 Uh, getting head by the nuns  
 Uh, they don't play what I'm playing  
 Uh, they don't see what I'm saying  
 Uh, they be balling in the D-League  
 Uh, I be speaking Swaghili
