Stop Staring

Aviatic

I can't stop crying
I can't help staring at you
I can't stop crying
I can't believe that I have finally lost you

When you stepped outside that door
Just to barry me even more
You said,
Stop staring, stop caring
It will burn your eyes
It will make you blind
Stop staring, stop caring
It will paralyze

Yes I can see you
but I can't even try to hold you
Yes I could tell you
but every time I do
it seems I am gasping for air

When you stepped outside that door
Just to barry me even more
You said,
Stop staring, stop caring
It will burn your eyes
It will make you blind
Stop staring, stop caring
It will paralyze

When you stepped outside that door
Just to barry me even more
You said,
Stop staring, stop caring
It will burn your eyes
It will make you blind
Stop staring, stop caring
It will paralyze you

When you stepped outside that door
