

# Beggin & Pleadin

## Brandy

Damn boy, why you make it so hard?  
Stop putting your foot on my heart  
I know I did my wrong, I know I did my dirt  
Didn't know how bad I would hurt Told you, walk out that door, and you can keep your last name  
Now I'm down on my knees, it's a shame I'm begging and pleading  
Begging and pleading, hoping and wishing for a change  
Forgive me  
Begging and pleading, hoping and wishing for a change  
I'm begging and pleading  
Begging and pleading, hoping and wishing for a change  
Forgive me  
Begging and pleading, hoping and wishing for a change Told you, walk out that door, and you can keep your last  
name  
Now I'm down on my knees, it's a shame  
Good God almighty Damn boy, why you make it so hard?  
Stop putting your foot on my heart  
Know I cussed and I screamed  
Even took your keys  
Got so bad, yeah I stopped wearing my ring Told you, walk out that door, and you can keep your last name  
Now I'm down on my knees, it's a shame I'm begging and pleading  
Begging and pleading, hoping and wishing for a change  
Forgive me  
Begging and pleading, hoping and wishing for a change  
I'm begging and pleading  
Begging and pleading, hoping and wishing for a change  
Forgive me  
Begging and pleading, hoping and wishing Told you, walk out that door, and you can keep your last name  
Now I'm down on my knees, it's a shame
