

The One

Tamar Braxton

You know very well who you are
You're the only one, you've got my heart
You've had a few, boy one too many
But I'm the only one to wake you up [Chorus]
I reminisced the way we kissed, it felt so personal
You took the chance to win my love and now you know
(it was all a dream)
I don't need no one baby
Without you I'm incomplete
My love is just like the bar
Put it all on me
I don't want nobody else
Baby all I need is you
(You are the one I want)
And I don't want nobody else
Baby all I need is you
You are the one I want You know very well, you're the star
Cause I don't go that far, look where we are
And ain't none like you, one in a million
But I'm the only one to count you on [Chorus]
I reminisced the way we kissed, it felt so personal
You took the chance to win my love and now you know
(it was all a dream)
That I don't need no one baby
Without you I'm incomplete
My love is just like the bar
Put it all on me
Yeah I don't want nobody else
Baby all I need is you
You are the one I want
I don't want nobody else
Baby all I need is you
You are the one I want [Chorus]
I reminisced the way we kissed, it felt so personal
You took the chance to win my love and now you know
I don't even know one baby
Without you I'm incomplete
My love is just like the
Put it all on me

Yeah
Put it all on me baby
Put it all on me
Yeah, yeah
