Leave Me Alone

White Lion

I donÂ¹t care if you donÂ¹t like the way I look
CanÂ¹t you see this ainÂ¹t no Sunday School
I donÂ¹t really care about your in RnÂ¹ outs
CanÂ¹t you see I ainÂ¹t nobodyÂ¹s fool
What is this, what is that
I donÂ¹t care how you wear your hat
Leave me alone
Leave me alone
Why donÂ¹t you free me
And leave me alone
I donÂ¹t care if you donÂ¹t want me in your house
I just come RnÂ¹ go as I please
You can sing your song about when you were young
I can start a war when you want peace
Close the door, just ignore
But you wonÂ¹t tie me down no more
Leave me alone
Leave me alone
Why donÂ¹t you free me
And leave me alone

Leave me alone
Leave me alone
Why donÂ¹t you free me
And leave me alone
I donÂ¹t care if you donÂ¹t like the way I walk
You donÂ¹t stop and listen when I talk
I can see that you donÂ¹t want to understand
Playing in a rock RnÂ¹ roll band
You object, you expect
But you donÂ¹t give me no respect
Leave me alone
Leave me alone
Why donÂ¹t you free me
And leave me alone
Leave me alone
Leave me alone
Why donÂ¹t you free me
And leave me alone
