

# Vodevil

## Marilyn Manson

I wake up everyday  
The wrong side of the bed  
I won't lay down on the floor  
Like I'm the whore in your head  
Call me a failure  
Pretender, sex-offender, infecter  
Say I killed all my friends  
And I deserve to be dead

Kiss baby kiss  
Bang baby bang  
Suck baby suck  
It's vodevil  
Kiss baby kiss  
Bang baby bang  
Suck baby suck  
It's vodevil

This isn't music and we're not a band  
We're five middle fingers on a motherfucking hand  
This isn't music and we're not a band  
We're five middle fingers on a motherfucking hand

I won't pull out I just came  
I want all of the blame  
Your love is tin, faith is thin  
No concept of pain, right to complain  
All you fagazines, senile teens  
Jaw me, black ball me  
D.J. yourself away  
Turn your back it will be easier to stab

Kiss baby kiss  
Bang baby bang  
Suck baby suck  
It's vodevil  
Kiss baby kiss  
Bang baby bang  
Suck baby suck  
It's vodevil

This isn't music and we're not a band  
We're five middle fingers on a motherfucking hand  
This isn't music and we're not a band

We're five middle fingers on a motherfucking hand

V.I.P. A D D T R D

Violent shiny hate crime, total requested dead

It's version pointless, downloadable suicide

The only ones left standing

Are the ones not demanding

This isn't a show, this is my fucking life

I'm not ashamed, you're entertained

But I'm not a puppet

I am a grenade

I'm not ashamed, you're entertained

But I'm not a puppet

I am a grenade

Kiss baby kiss

Bang baby bang

Suck baby suck

It's vodevil

Kiss baby kiss

Bang baby bang

Suck baby suck

It's vodevil

This isn't music and we're not a band

We're five middle fingers on a motherfucking hand

This isn't music and we're not a band

We're five middle fingers on a motherfucking hand

This isn't music and we're not a band

We're five middle fingers on a motherfucking hand

This isn't music and we're not a band

We're five middle fingers on a motherfucking hand
