

# All In Fun

## Mabel Mercer

We are seen around New York  
In the finest stay-up-late cafes  
I am on the town with you these days  
That's the way it stands  
Just a fellow and a girl  
We have had a little whirl  
And our feet have left the ground a bit  
We've played around a bit  
That's the way it stands  
For we are strictly good time charlies  
Who like to drink and dance around  
And maybe kick romance around  
And that's the way it stands  
All in fun  
This thing is all in fun  
When all is said and done  
How far can it go?  
Some cocktails, some orchids  
A show or two  
A line in a column  
That links me with you  
Just for laughs  
You're with me night and day  
And so the dopes all say  
That I'm that way 'bout you  
Here's the laugh  
And when I tell you  
This will kill you  
What they say is true  
Just for laughs  
You're with me night and day  
And so the dopes all say  
That I'm that way 'bout you  
Here's the laugh  
And when I tell you  
This will kill you  
What they say is true
