Rest My Chemistry (Midav 2008 Remix)

Interpol

I haven't slept for two days
I've bathed in nothing but sweat
And I've made hallways scenes for things to regret
My friends they come
And the lines they go byTonight I'm gonna rest my chemistry
Tonight I'm gonna rest my chemistryI live my life in cocaine
Just a rage and three kinds of yes
And I've made stairways
Such scenes for things that I regret
Oh, those days in the sun
They bring a tear to my eyeTonight I'm gonna rest my chemistry
Tonight I'm gonna rest my chemistryBut you're so young
You're so young
You look in my eyes
You're so young, so sweet, so surprisedI saw a sign says "OK"
Gotta take a ride just recline in the faraway
Got to take some time to realize
That my friends they come
And the lines they go byTonight I'm gonna rest my chemistry
Tonight I'm gonna rest my chemistryBut you're so young
You're so young
You look in my eyes
So young, so sweet, so surprised
You look so young like a daisy in my lazy eyesTonight I'm gonna rest my chemistry
Tonight I'm gonna rest my chemistry
Tonight I'm gonna rest my chemistry
Tonight I'm gonna rest my chemistry
