

# Great Wide Open

## Thirty Seconds to Mars

Is this the life that we're living?  
Say the prayers in a thousand tongues  
Is this love? Some new beginning? Or a night in our wildest dreams? Into the great wide open  
Across a land of blood and dreams  
I will save your heart from breaking  
Won't you stop? Please  
Set me free  
I swear to God, I'm the devil  
Raise your hands to the sky and praise  
I'm a thief, you're a liar  
But we live in our wildest dreams Into the great wide open  
Across a land of blood and dreams  
I will save your heart from breaking  
Won't you stop? Please  
Set me free, set me free  
Set me free, set me free Let it out, let it out, go  
Time to lay down your arms  
Let it out, let it out, go  
Time to lay down your arms  
Into the great wide open  
Across a land of blood and dreams  
I will save your heart from breaking  
Won't you stop? Please  
Set me free (Raise your hands to the sky)  
Set me free (Raise your hands to the sky)  
Set me free (Raise your hands to the sky)  
Won't you stop? Please  
Set me free
